Hi Esther,

I and my family of five great kids would like zero glyphosate in our food. Here is a great article on its disastrous effects (even tiny portions):

<http://articles.mercola.com/sites/articles/archive/2013/06/09/monsanto-roundup-herbicide.aspx>

Also: (This Netflix documentary has great scientific data on glyphosate and the connection to autism)

Thank you,
Shannon Morgan
